About Me

Enthusiastic computer science fresher with basic knowledge of data analysis, Python, SQL, and web development through coursework and self-learning. Possesses good problem-solving skills and a strong willingness to learn and apply knowledge in a collaborative work environment.

Skills

Programming Languages: Python, Java, C, C++, Ruby

Data Analytics: MS Excel, Power BI, Tableau, Data handling using Python

Web Technologies: HTML, CSS, Javascript

Cloud & Platforms: AWS ,Azure

Databases: SQL, MongoDB

AI & Emerging Technologies: Basic awareness of AI concepts, generative AI, machine learning

Soft Skills: Time management, Team collaboration, Adaptability

Projects

AI Career Intelligence Platform | *Python, Scikit-learn, SQLite, Gemini AI, AWS S3, Streamlit*

- Developed an AI-powered career guidance platform integrating machine learning, SQL analytics, and generative AI.
- Implemented salary prediction, skill gap analysis, career matching, and AI-generated learning roadmaps.
- Build interactive dashboards for job market analytics and cloud-based storage using AWS S3.

ATM System | *Java, MySQL*

- Developed a basic ATM system integrated with a MySQL database and Java.
- Implemented features such as user authentication, balance enquiry, and cash withdrawal.
- Ensured proper transaction flow and database interaction logic.

Certifications

- **SIH – Alumni Management System (2024):** Worked on an internal Smart India Hackathon project focused on managing alumni records and designing a website to store, update, and view alumni information.
- **SQL Fundamentals – Newton School:** Core SQL concepts including queries, filtering, and basic joins.
- **Generative AI Fundamentals – Google Skillshop:** Basic awareness of generative AI concepts and real-world applications.
- **Data Analysis with Python – IBM (2025):** Data cleaning, basic SQL queries, and introductory data visualization.
- **Cyber Security Fundamentals – SkillUp & Simplilearn:** Introductory understanding of cybersecurity concepts and common threats.

Education

B.E. Computer Engineering

International Institute of Information Technology, Pune

Student | 2023 - 2027

CGPA: 9 / 10
